Site Type.

IMD Web Page

Topic.

We will be creating a new prototype for the Interactive Media Design (IMD) website. We will be focusing on:

- Program Overview
- Class Schedule for all sections in the current semester
- Detailed Pages for 3 courses
 - Web Production with Robert McKenney
 - Server side web development with Michael Eisenbraun
 - Motion Graphic with Hussein Tayrani

Using this information we will create a new IMD website that fits the needs of potential and current students.
